

Accessing your Commonwealth Assistance Notice (CAN) online

Higher Education students can access their Commonwealth Assistance Notices (CANs) via the Enrolment Online application. CANs are only sent to eligible students after the relevant census date each semester. This functionality offers the flexibility of retrieving this information from any location at any time.

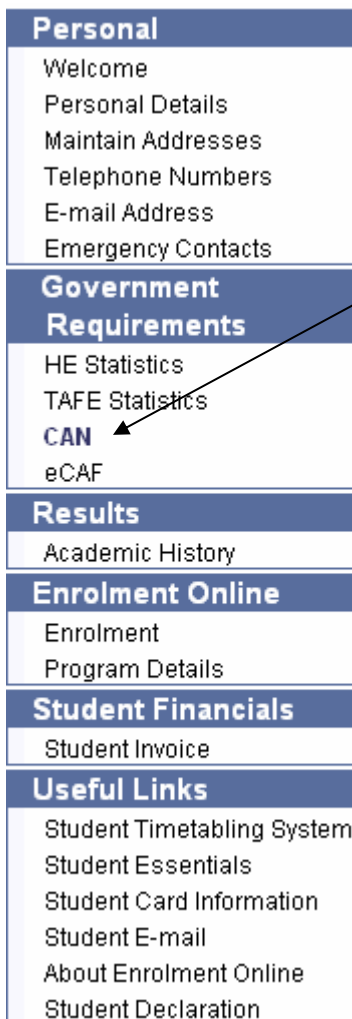

1. Visit the Enrolment Online website at: <https://enrol.rmit.edu.au>

The screenshot shows a login form with a blue header containing the word "Login" and a question mark icon. Below the header are two input fields: "Username:" and "Password:". A "Login »" button is positioned below the password field.

2. Type your **Username** and **Password** into the Login box and click the **Login** button

Username - This is your student number with an "S" added to the start and any letters removed from the end
Password - Your *initial* NDS password is your date of birth in the format: YYYYMMDD

3. Click the **CAN** menu option on the left hand side of the screen to view a list of your Commonwealth Assistance Notices.

From this list, select the CAN you wish to view.

4. Click **View** to open your CAN.

You will be required to enter a password. This is your Username (used to log in to Enrolment Online).

Note: not all students will have access to every function in the Enrolment Online application. You will be notified when these options become available.
